

JOSHUA JOHNSON

Frontend Developer

About Me

I'm someone you can count on to juggle multiple tasks while staying positive. I'm always ready to step up to help my team reach its goals. As a frontend developer, I'm enthusiastic about contributing to our success through hard work, attention to detail, and staying organized. I understand my responsibilities well and I'm constantly learning and growing to excel in this field.

Experience

Frontend Developer

PIXONOMI

2023 – 2024

Collaborated with the design team to maintain brand consistency and visual appeal throughout the website.

Education

University of Ibadan

2018 - 2023

Bachelor's of Science in Computer Science

Projects

PIXONOMI

2023 - 2024

Frontend Developer

Designed and developed a responsive website for Pixonomi, a company specializing in lead conversion solutions. The website aimed to attract and engage visitors, showcasing services such as lead generation, conversion optimization, and digital marketing strategies.

Achievements

- Implemented a user-friendly home page with engaging visuals and animations to capture visitor attention.
- Created a pricing page with clear package options and CTAs.
- Designed and integrated a navigation bar (navbar) for seamless navigation across the website.
- Ensured cross-browser compatibility and responsive design for optimal user experience on different devices.

Technologies Used: GHL, HTML5/CSS3, Javascript, Bootstrap, jQuery
